### DECLARATION AND POWER OF ATTORNEY

As a below-named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

“Publishing System and Method”

the specification of which was filed on March 19, 2004 and was assigned serial no. 10/805,092.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information, which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code § 119(a)-(d) or (f) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or §365 (a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate, or of any PCT international application having a filing date before that of the application on which priority is claimed.

| Prior Foreign Application Number(s) | Country | Foreign Filing Date | Priority Claimed (Yes/No) | Certified Copy Attached? (Yes/No) |
|-------------------------------------|---------|---------------------|---------------------------|-----------------------------------|
|                                     |         |                     |                           |                                   |
|                                     |         |                     |                           |                                   |

I hereby claim the benefit under Title 35, United States Code § 119(e) of any United States provisional application(s) listed below.

| Application Number(s) | Filing Date    |
|-----------------------|----------------|
| 60/455,773            | March 19, 2003 |
|                       |                |

I hereby claim the benefit under Title 35, United States Code § 120 of any United States application(s), or § 365(c) of any PCT international application designating the United States of

America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of Title 35, United States Code § 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.

| U.S. Parent<br>Application Number | PCT Parent Number | Parent Filing Date | Parent Patent<br>Number<br>(if applicable) |
|-----------------------------------|-------------------|--------------------|--------------------------------------------|
|                                   |                   |                    |                                            |
|                                   |                   |                    |                                            |

I hereby appoint Richard E. Oney (Reg. No. 36,884) and Susan Stone Rosenfield (Reg. No. 36,287) as my attorneys with full power of substitution and revocation, to prosecute this application and to transact all business in the U.S. Patent and Trademark Office connected therewith.

I request that all correspondence be directed to:
